

# Certificate of permanent export

Certificate d'exportation permanente de véhicules  
 Certificado de exportación permanente del vehículo  
 Certificato di esportazione permanente del veicolo  
 Bescheinigung über den dauerhaften Ausfuhrtransport

The details on this document taken from the register should be the Secretary of State for the Department for Transport's current registration documents as they were entered.  
 This certificate is given in proof that the registration details as set out below are correct. It is intended that a vehicle permanently exported from the United Kingdom for 12 months or more should be used to re-register the vehicle with the appropriate authority (NI, Channel Islands and Isle of Man have separate licensing authorities).
